# Connecting...

## Your Tracker

TO YOUR MEMBER CONNECTION APP  
(powered by Benovate)

*In order to participate in a Steps Contest,  
members **MUST** have a tracker  
connected and synced to their account.*

**Download the Benovate app on Apple or Android  
or visit [member.alliednational.com](http://member.alliednational.com)**

### EASY STEP-BY-STEP INSTRUCTIONS

1. Login and click **“My Profile”** or **“Connect”** in the Health Snapshot Tile.
2. In the **“My Trackers”** section, click **“Connect”** next to the desired tracker.
3. A box will pop up asking you to enter your **app or device login information**, giving it permission to push the information to your Benovate account.
4. To confirm that your tracker is connected, you can click **“My Profile”** or **Connect”** in the Health Snapshot Tile.
5. Once connected, you will see your data in your **Health Snapshot Tile**.

To register, locate your Member Connection registration code on the back of your health plan ID card.

*Powered by Benovate, a health engagement platform provider, Allied National's Member Connection is unique because it engages members by displaying content and activities based on their interests and health needs.*
