(Don't) Grin and Bear It

Do you have an ache, pain, bruise, cut, sting or other condition you've been dealing with for awhile? Don't just grin and bear it when it's easy to talk to a medical provider. Use your telehealth benefit, which links you to a provider through your phone or PC.

***For major medical plans, you have the Telehealth Benefit.
For limited benefit plans, you have Teladoc.***

1. Download the Benovate app  or visit member.alliednational.com.
2. Register using your Allied Member Connection registration code on the back of your health plan ID card.
3. Click "Start a Virtual Care Visit" to use your telehealth benefit.
