

To All Employees,

According to the Centers for Disease Control and Prevention, people of all ages with underlying medical conditions are at higher risk for COVID-19, particularly if the underlying medication conditions are not well controlled; this includes people with diabetes.

GEMCORE's At-Home Diabetes Management Program allows you to stay healthy and manage your diabetes from home with **our mail-order supply service** and **remote health coaching**. Once enrolled in the program, you'll have quick access to everything you need to stay healthy!

EASY ORDERING

Place your supply and/or medication order by phone, Web, or email without leaving your house!

HOME DELIVERY

No need to visit the store or pharmacy! We deliver your testing supplies and/or medication directly to your door.

TELECOACHING

Need to speak with a health coach? Schedule an at-home appointment with a Registered Dietitian Monday-Friday.
