You Have the Cost Saver Plan
Preventive services plus limited benefits for outpatient, surgical and inpatient care

Your Cost Saver plan covers all outpatient services after your deductible and a simple copay for each service. It includes coverage for generic prescription drugs. Surgery facility and inpatient admissions are covered under a fixed indemnity payment of a specific dollar amount for each surgery or inpatient confinement subject to certain limitations.

Your plan also covers eligible charges for all preventive care services considered necessary by the Affordable Care Act, such as immunizations, mammograms and pap smears.

Cost Saver is a PPO network plan. Check your ID Card for your network and look for providers at: www.alliednational.com/find-a-provider.

Using a PPO provider will assure you of the best benefits and discounts under your health plan.

See Summary Plan Description for complete benefit details.
Special features of your Cost Saver Plan include:

- **Coverage is available for spouses and dependent children up to age 26.**

- **Generic Drug Discount**
  Cost Saver covers Tier 1 generic drugs for a small copay. Check your Rx formulary at [www.alliednational.com/prescription-benefits](http://www.alliednational.com/prescription-benefits) for a list of the generics that are available. Brand drugs are available at a discount.
