Streamline Your Health Coverage

For groups of 15+ employees, health applications aren't required. This means a faster, easier process to get your groups covered as long as the required support materials are provided, and the groups are not virgin groups. Visit our [group submission](#) page for more details!

Allied Telehealth Costs Reimbursed

Doctors' offices are not open 24/7 and visits to urgent care or emergency rooms can be expensive. So what should someone do if they have a minor illness and need assistance immediately?

Fortunately, Allied's Funding Advantage Plan members can talk to ANY telehealth provider. They'll be reimbursed for the entire cost of their telehealth visit for all eligible charges.

Here's what your groups need to know to use the service and get reimbursed.

- Download our flyer about telehealth benefits.
- Select any telehealth provider to have a phone or video consultation.
- Submit their receipt or invoice to: Allied National Claims Department P.O. Box 29186 Shawnee Mission, KS 66201-9186

Note: If a member has an HSA plan, reimbursement may be subject to their deductible.
