Your Lab Tests are Covered at

100% at the following labs:

When you choose to get your testing done at one of the above participating laboratories – and the testing is ordered by your physician – you pay no deductibles, no copays and no coinsurance. **Your lab tests are covered at 100%.** Even better, you might not have to go to a different location to get testing done if your physician's office is affiliated with one of the three labs. So, make sure you ask first before having any test performed.

If you are covered under a Health Savings Account (HSA) plan, you will receive lab services at discounted rates that will be automatically applied to your HSA deductible. Once the deductible is satisfied, lab benefits are paid at 100%.
