

IF YOU ARE PRESCRIBED HIGH-COST SPECIALTY DRUGS—YOU NEED TO READ THIS!

You may be eligible for waived copays for your high-cost medications! Contact Allied HealthCare Assistant for details and to see if you qualify.

Allied National has launched a new high-cost drug program with our partners at Exouza. This program could remove all out of pocket expenses for high cost medications while also maximizing the positive impact of these important medications.

This program has already saved hundreds of Allied members just like you thousands of dollars per year in out of pocket medication costs.

 **EXOUZA** Exouza has a team of pharmacy experts with years of experience working with high-cost drugs. The team supports you, your doctor and the pharmacy to make sure these costly prescriptions are safe, affordable and available without delay.
