
Agents Are Unlocking Unlimited Earnings – Are You In?

Our Next Level Solutions Bonus Program is in full swing – and agents are taking notice!

From now through Feb. 1, 2026, you can earn up to **\$75 per employee** with our bonus incentive program.

It's easy to start stacking up the rewards. Once your **fourth case is issued**, you'll get paid **retroactively** – all the way back to **employee number one** from the contest period!

And here's the best part: **We aren't waiting until February to pay you**. You'll see your bonus as soon as you qualify and you'll continue to get paid for every qualifying case until the end of the bonus period.

Click on the button below to see the bonus flyer and start submitting cases today to watch your earnings grow!

Plus, we are making it easier for you to earn! Click on the button below to see the **updates we made to our group submission guidelines**. These changes are designed to simplify your experience and maximize your income opportunities.
