

## Short-Term Medical Plans: Smart, Flexible and Built to Win

Short-term medical plans combine innovation and reliability — giving agents powerful tools and consumers flexible, affordable coverage. Highlights include:

- **Budget-friendly options** for those without ACA subsidies
- **Unlimited doctor visits** with predictable copays on select plans
- **24/7 telemedicine access** at no cost

These plans are a game-changer for group benefits — perfect for employees in waiting periods, COBRA alternatives or dependent coverage.

**Pivot Health by Healthcare.com** empowers agents to grow their business while keeping clients confidently covered. Now offering up to **three years of continuous coverage** in select states, Pivot Health STM plans deliver long-term flexibility for life's transitions.
