

More Value for Your Clients — At No Extra Cost

Your group health benefit clients get more than major medical coverage with Allied National's Funding Advantage plans. They gain access to personalized health support that makes navigating healthcare simpler, smarter and more affordable.

Every Funding Advantage Package Includes:

Personal Health Guidance – Members can call 844-287-6078 to connect with an Allied HealthCare Assistant who helps them understand their diagnosis and explore the most appropriate treatment options.

High-Cost Drug Program – This program uses a powerful cost containment tool, designed to lower the cost of expensive drugs or therapies for members while improving clinical outcomes.

No-Cost Advanced Imaging – Members have access to CT, MRI, and PET scans at no cost speeding up diagnosis and treatment decisions.

Behavioral Health Support – Our plans provide confidential support for depression, anxiety, PTSD, substance abuse, eating disorders and more. Members receive care for both physical and mental health.

On-Goal Diabetes Management – A free benefit administered by GEMCORE to assist members with developing a personalized, one-on-one plan tailored to help motivate, educate, and support their daily lifestyle while better managing their diabetes.

Hypertension Management Health Coaching – A free benefit administered by GEMCORE to offer health coaching for blood pressure management.

Weight Management Health Coaching – A free benefit administered by GEMCORE to provide one-on-one health coaching from one of the Registered Dietitians providing scientific-based education and motivation to help members reach their goals.

Why this matters to you:

These value-added benefits help reduce claims risk, increase client satisfaction, and differentiate Funding Advantage plans as a smarter alternative to traditional major medical plans.
