

A Smart Solution for Employers Priced Out of Traditional Major Medical Coverage

If you work with employers who can't afford traditional major medical plans, Allied National's **Cost Saver Funding Advantage** plan gives you a powerful option to put in front of them.

Cost Saver is a **guaranteed issue, level funded** plan designed specifically for groups that are priced out of the insurance market but still want to provide meaningful coverage to their employees. With **no medical underwriting** and streamlined enrollment, it's one of the easiest ways to deliver real value to budget conscious groups.

Why employers should consider Cost Saver:

- **Meets Minimum Essential Coverage (MEC) requirements** to avoid Affordable Care Act Part A penalties
- **Bronze Minimum Value Plan** option helps groups meet minimum value and avoid both "A" and "B" penalties
- Guaranteed issue, affordable alternative
- Unlimited office visits with low copays
- \$0 copay virtual urgent care
- Strong outpatient benefits plus cash payments for surgery and hospitalization
- National PHCS & First Health PPO networks for dependable discounts

Cost Saver gives large employers a way to stay compliant, control costs, and still offer their employees valuable benefits without the price tag of traditional major medical.
