

Close the Coverage Gap with Flexible Supplemental Protection

Did you know nearly half of adults lack supplemental insurance to help with unexpected medical expenses? Pivot Health offers FlexBenefits, a suite of supplemental insurance solutions designed to help cover out-of-pocket healthcare costs. These plans can be purchased as standalone coverage or paired with individual or group health plans. FlexBenefits helps clients manage unexpected medical expenses so they can focus on recovery instead of financial stress. Available through the Pivot Health portal, the plans are simple to access and easy to enroll in.

With flexible options that include accident coverage, critical illness insurance, hospital indemnity plans, and more, FlexBenefits provides added financial protection tailored to a variety of needs.

Key advantages include:

- Easy-to-use quoting and enrollment platform
- Distinct package options to fit different client situations
- Guaranteed issue availability

To help agents address ongoing coverage gaps and better serve clients, Pivot Health is offering exciting incentive opportunities through June 30:

Perform at Your Peak

The Peak Performance Bonus Program runs April 1 – June 30, 2026, with agents eligible to earn up to \$450 per policy on extended-duration short-term plans, plus additional earnings for bundled dental and vision coverage.
