

CAA RxDC Reporting – Due June 1 – We've got you!

Courtesy notice. No action is required.

Under federal transparency requirements established through the Consolidated Appropriations Act (CAA), health insurance issuers, employer-sponsored health plans and other group health plans are required to submit detailed information annually to the Centers for Medicare & Medicaid Services (CMS).

The purpose of the “RxDC” report is to improve transparency around prescription drug pricing and overall healthcare costs and to support future policy decisions.

The federal **RxDC reporting deadline is June 1.**

We're pleased to let you know that **we will handle the required RxDC (Prescription Drug Data Collection) reporting on your behalf.**

Our team will compile and submit the necessary data to CMS in accordance with federal requirements, helping ensure your plan remains compliant while minimizing administrative

burden on your organization. **You can rest assured that this requirement is being managed for you.**

Please feel free to contact clientservices@alliednational.com or 800-825-7531 if you have any questions.
