Pivot Health Peak Performance Bonus

Coverage gaps remain significant: about 1 in 3 U.S. adults lack dental insurance and nearly 40% are without vision coverage. This often leads to delayed care and higher long-term costs. Pivot Health dental and vision coverage through Brilliant Dental™ helps close these gaps with no waiting periods, preventive care benefits, and optional vision coverage.

To help reward agents for addressing these ongoing coverage needs, the Peak Performance Bonus Program is now live for April 1 – June 30, 2026. Earn up to \$450 per policy on extended-duration short-term plans and boost earnings when you add dental and vision coverage. Push higher, maximize earnings, and perform at your peak.
