

Freedom Open Access Makes Finding Care Easier Than Ever

When it comes to accessing care, Freedom Open Access goes beyond typical provider search tools.

Members can quickly search for providers on their own at <https://aln.connect.payercompass.com/home/login>, but that's just the beginning. One of the key benefits of Freedom Open Access is **assistance**:

- Our team is available **to help members find trusted providers** who meet their specific healthcare needs.
- Our team can even **schedule appointments on their behalf**.

This personalized support helps members save time, reduce frustration, and connect with the care they need faster. Freedom Open Access doesn't just provide access to care, it provides assistance every step of the way.
