We are **Allied National**

Allied National is one of the nation's oldest and most experienced third-party administrators (TPA). We are a 90 Degree Benefits Company, a subsidiary of Blue Cross Blue Shield of Alabama. For more than 50 years, we have been a family-run company offering unique and affordable health benefit plans to small business employers and individuals.

Innovative **Health Plans**

One of our most innovative products is Funding Advantage, a unique health plan option for small employers with two or more employees. Level-funded plans, like Funding Advantage, give employers the opportunity to save significant dollars on their benefits and help take control of those costs.
