Cost Saver pays benefits for covered services based on the type of service received by the member and the location where the service is received. Some of the most common types of services for your benefit category are listed below.

## **Outpatient Benefits**

#### **Office Visit**

Most services performed in the doctor's office, including the office visit itself, consultations, immunizations, mammograms, pap smears and most diagnostic tests (x-rays and lab) are covered in this benefit category and subject to the office visit copay, up to \$500 in benefits per visit. Surgical procedures, costing less than \$500 and performed in the doctor's office, also are covered in this benefit category.

#### **All Other Physician Services**

Services performed by and/or billed for by a physician, not as part of an office visit, are covered in this benefit category and subject to a \$50 copay, then subject to deductible. Items like medical supplies, surgical services, cardiovascular testing, reading of x-rays and MRIs, and ground ambulance service.

## **Facility**

#### **Outpatient Surgery**

Outpatient surgical facilities are covered in this benefit category.

### **Inpatient Facility Benefit**

Facility charges for inpatient stays are covered in this benefit category. The plan pays a daily benefit for all charges from the facility according to the room classification (e.g. ICU versus standard room). If admitted as an inpatient from the emergency room, the inpatient facility benefit and copay applies.

### **Extra Benefits**

#### **Cura TeleHealth & Wellness**

When you have Cost Saver, you have telephone and PC access to a provider 24/7. ## **Discount Lab Program**

Allied's plan includes a discount lab program that gives members an opportunity to obtain outpatient laboratory testing services at no cost. Costs paid 100% by plan.

#### **Rx Card**

Cost Saver covers all generic drugs for a \$15 copay. Brand and outpatient specialty drugs are available at a discount.
