

Cost Saver Bronze MVP

The Cost Saver Bronze Minimum Value Plan (MVP) is a unique, low-cost group health plan for employers who are priced out of the cost of traditional major medical coverage. It also helps employers avoid both the “A” and “B” Affordable Care Act penalties.

Plus, **there is no medical underwriting** for group sizes from two or more. Your group can’t be turned down because of health concerns.

A level-funded Funding Advantage plan, Cost Saver Bronze MVP provides:

- Unlimited outpatient benefits
- Fixed cash payments for surgery and hospitalization
- Access to the PHCS or First Health PPO networks for valuable PPO discounts for services
- Employers have the opportunity to receive money back when their group has a healthy plan year
