Review the flyers enclosed for details about your plan. If you have a PPO plan, visit the website listed above for a list of providers who are in-network and will give you a discount. If your plan is not a PPO, you may see any health care provider without a penalty.

Access your telehealth benefit

You can see a doctor from your tablet, phone or laptop 24/7. Your plan has the CURA TeleHealth & Wellness benefit. Telehealth is an efficient way to manage most acute and chronic conditions without having to go to a doctor's office.
