TEXAS DEPARTMENT OF INSURANCE NOTICE

- You have the right to an adequate network of preferred providers (also known as “network providers”).
 - If you believe that the network is inadequate, you may file a complaint with the Texas Department of Insurance.
- You have the right, in most cases, to obtain estimates in advance:
 - from out-of-network providers of what they will charge for their services; and
 - from your insurer of what it will pay for the services.
- You may obtain a current directory of preferred providers at the following website: {web address} {Not Applicable} or by calling {1-800-###-####} for assistance in finding available preferred providers.
- If you are treated by a provider or facility that is not a preferred provider, you may be billed for anything not paid by the insurer.
- If directory information is materially inaccurate and you rely on it, you may be entitled to have an out-of-network claim paid at the in-network percentage level of reimbursement and your out-of-pocket expenses counted toward your in-network deductible and out-of-pocket maximum.
