

We Can Guide You to Better Benefits

Looking for a dental insurance plan that has what your employees need at a price you can afford? The Small Business Advantage plans powered by Allied National, has your answer — Allied Dental Design.

Allied Dental Design can add attractive features to your benefit plan for your employees. It provides the right balance between premium and benefits, with plan designs to meet your group's dental needs.

Get great dental benefits for small groups - at a lower cost!

- Insureds can choose any dentist for services without a penalty. However, an Aetna Dental PPO Network is automatically included, except in Texas and Virginia. Voluntary use of its dentists at the locations across the country may help reduce coinsurance costs.
- 100 percent preventive care benefits with no deductible.
- Orthodontia benefit option for groups of two or more.
- Takeover benefits available for groups of two or more.
- Choice of deductible and benefit maximums.
- Optional vision plans
