4 Things to do now!
Put Your Card in Your Billfold!

Make your benefits WORK for you!

4 Things to do now!

1. Find a Provider!
   Visit www.alliednational.com/find-a-provider.html to see who provides care for the Aetna Dental PPO Network or, if you have vision, the NVA network. If you seek care outside of the network, you might not receive discounts.

2. Present your card to your dentist. If they have questions, have them call the number on the card and our Client Services Representatives will be happy to assist them.
Coverage That Will Make You Smile!

With Dental Design, you get the preventive care you need to keep your smile healthy, as well as coverage for unexpected dental expenses.

Plan features include:
- **Choose any dentist.** There are no provider restrictions. However, the Aetna Dental PPO network is automatically included. Voluntary use of its dentists may help reduce coinsurance costs.
- **Your plan pays 100% of the preventive care benefits.**

Allied National is just a phone call away at **800-825-7531** if you have questions about your coverage. If you prefer email, write us at clientservices@alliednational.com.

Allied’s Self-Service Site gives you info on your benefits and claim payments. To register for the first time, visit [www.alliednational.com](http://www.alliednational.com). You need your member ID number, your date of birth and the last four digits of your Social Security number.
Who is Allied?

Allied has been in the employee benefits business since 1970 and is the administrator for your benefit plan.
