Allied has been in the health benefits business for more than 50 years and is the administrator for your employer’s benefit plan. We are not an insurance company. We work for you and your employer.

If you have a problem, question or concern, we have trained specialists (in the USA) to talk to you! Call Allied Client Services at 800-825-7531. You also have 24-hour access to information online, including your plan documents. Visit the Self-Service Site at www.alliednational.com.

Your Allied National health plan ID cards are here!

Visit the Self-Service Site at www.alliednational.com.
1. Register on the Self-Service Site at www.alliednational.com
   This is your 24/7 source for:
   • Checking your benefits coverage and claims status.
   • Managing your personal information.
   • Reviewing benefits amounts.
   Click “Register as a first time user” and select “Member” from the drop down menu. You’ll need your Member ID number (located on your ID card), along with your birthdate and the last four digits of your SSN.

2. Find providers at www.alliednational.com/find-a-provider
   Allied has an online list of providers who are in network and will give you a discount.
   Note: Many Allied plans are non-PPO. You can see any health care provider without a penalty. Review the flyer enclosed for details about your plan.

3. Read the pharmacy information
   If your plan has prescription drug coverage, additional information is enclosed. Read it to determine where the closest pharmacy is and which prescriptions are covered.
   Also take the time to learn about your formulary located on your member page at www.alliednational.com and how to get the best value for your Rx needs.

4. Access your telehealth benefit 24/7
   You can see a doctor from your phone or laptop 24/7. Your plan has the Cura Telehealth & Wellness benefit. Telehealth is an efficient way to manage most acute and chronic conditions without having to go to a doctor’s office. The cost is covered by your health plan or, if you have an HSA, it’s a low-cost alternative to an office visit. Call 620-740-2872 to register.

5. Put your ID card in your billfold
   Present your member ID card to your health care provider. If you have questions, call our Client Services Representatives at the number on your card and they will be happy to answer your questions.
