Preventive
Minimum Essential Coverage Plan

Your Allied National health benefit ID card is here!
Preventive Services ONLY
Minimum Essential Coverage

Your plan provides 100% coverage for all preventive services as listed by the U.S. Preventive Services Task Force. There are no deductibles, copays or annual or lifetime limits. A list of these services can be found at www.healthcare.gov/coverage/preventive-care-benefits/.

Please note that your coverage ONLY covers preventive services, not emergency situations.

Your providers will be reimbursed for preventive services based on 125% of Medicare reimbursements for physicians and 150% for facility charges. Please check with your provider to see if they accept this rate of reimbursement.

Allied’s Self-Service Site — The Answers You Need
You can access Allied National’s Self-Service website any time of the day to see information about your health benefit coverage.

What you need to do:
Visit www.alliednational.com and click on LOG IN from the home page. To register for the first time, you need the member ID number from your benefit card, your date of birth and the last four digits of your Social Security number.

What you’ll see.
After logging into the site, you’ll see your benefits, claims payments and coverage dates information. You’ll also be able to click on a link that gives you information about who is covered under your plan. Across the top of the website page are buttons that allow you access to more information about your benefits, claims and documents on file. The Submit Request button gives you the ability to request service on a variety of issues ranging from changes in coverage to address changes.
