

## Allied Freedom Plan Options

### Enjoy freedom of choice!

Allied National's Funding Advantage Freedom Plan options allow your clients the full choice of health care providers without restrictions or penalties.

- **NO networks required** — Your clients' employees can see any health provider. There's no required network — no penalties.
- **PPO option** — A new plan option provides an optional physician-only PPO network. Members can choose a physician in the network or use non-network providers without penalty.
- **Elite Experience Team** — Members and providers can call 866-332-1987 or email [elite@alliednational.com](mailto:elite@alliednational.com) if they have questions about members' benefits.
- **Allied HealthCare Assistant** — HealthCare Assistant is an umbrella of health care services created to ensure our members have the absolute best access to the best health care in the country.
