Just pick up your phone or log onto your computer or tablet. Cura TeleHealth & Wellness medical providers can write prescriptions when medically necessary and permitted by law. **You won’t be charged**, because the cost of the phone or video consultation is covered by your Allied health plan. However, there will be a minimal charge if you’re covered through an HSA plan.

Register Today
Call 620-740-2872 or visit www.alliednational.com/telehealth to learn more and activate your account. You can get access to a telehealth medical provider immediately.

Here’s Your Cura TeleHealth & Wellness Membership Card. Have your health plan ID card ready, too.
Why You Should Use Your Cura TeleHealth & Wellness Benefit

Midnight or mid-day, Cura lets you connect for live, private phone or live video visits and diagnosis whenever you need assistance, wherever you are.
