**FUNDING**<sup>®</sup>  
A Level-Funding Solution for Small Groups  
**ADVANTAGE**

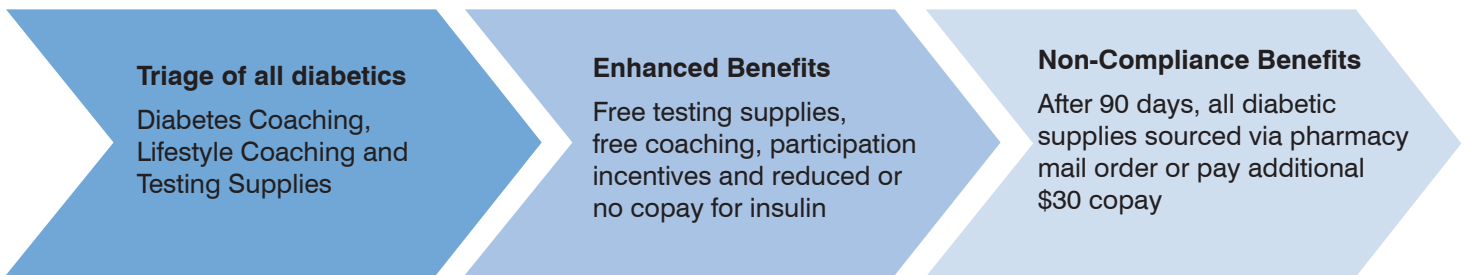

The HealthChoices benefit option provides members with an immediate premium discount and requires all members to use the services shown. Benefits and care are greatly enhanced for members who use these services, but, for those who don't, benefits may be treated as out-of-network and reduced. **HealthChoices is here to help our members get the right diagnosis, the right treatment plan and the right provider for an optimal medical outcome.**

The chart below shows the additional benefits and potential benefit reductions for non-compliance for those covered under the HealthChoices option. HealthChoices members should call an Allied HealthCare Assistant at 844-287-6078 for assistance for any medical care needs.
