

Experience Real Freedom with Allied's Freedom Plans

Freedom Plans are unique because members:

- Can see any provider and not be penalized
- Get PPO-like discounts
- Get group major medical benefit coverage

In short, members get the coverage they need while enjoying the freedom to go to any provider for services. Groups that have a healthy year can even get money back at the end of the plan year.

Freedom Plan options include:

- **Freedom Hybrid** — A plan that utilizes both PPOs and reference-based pricing for great flexibility.
- **Freedom Traditional** — A plan that utilizes pure reference-based pricing for bigger cost savings.
- **Freedom Essentials** — A plan that utilizes reference-based pricing with cost saving plan features. Uses the HealthChoices benefit and excludes Tier 4 drugs. Freedom Essentials is able to offer substantially lower plan costs.
